Family Learning Maths Course

We are hoping to be able to run a maths course for parents at the start of the Summer Term in April. The course is FREE and we anticipate that it will run for 4 weeks for an hour and a half each week from 1.45-3.15pm. If you would be interested in this course then please speak to Mrs Robinson in the first instance so that we can get a feel for the level of interest before we confirm that we are able to go ahead with the funding source.

Parents Evening

Our parents evenings will be held on 8th and 9th March. Parents should sign up to their preferred timeslot using the sheets that will be outside of your child's classroom from 1st March. Thank You

SCHOLASTIC BOOK CLUB

The latest Book Club offers have been sent out to all families, spare copies are available from reception. Please bring your orders to the school office by no later than Friday 11th March – and remember to use your world book token against any of the books featured.

Parking in Brookpit Lane

We request that parents/carers do not to park across or block the driveways of our neighbouring properties at any time when dropping off or collecting their children – this is a matter of safety for all of our children.

Also, at the end of the school day can children not go into the property and onto the flowerbeds where plants are being spoilt.

We have lovely, friendly and understanding neighbours with whom we have a very well established relationship and we would not want to cause them any upset at any time.

Thank You.

DO YOU QUALIFY FOR PUPIL PREMIUM FREE SCHOOL MEALS??

Please download a form from our website at www.stmarysclyping.org.uk or collect one from our reception area. If you qualify for this entitlement it also attracts vital funding for our school. Please ask Mrs Robinson for further details.

Headlice

Headlice - we are seeing many cases of Headlice in school. Please could parents check their child's hair regularly (weekly if possible) along with checking all family members and where necessary treat with appropriate applications. If you would like information on products then please speak to the school office.
