Head Teacher Message

First off I want to thank you all for your understanding and flexibility as we once again adjust our plans in line with government decisions.

Putting that aside, this week has been busy – with several past students of St Mary's sharing their own experience and how the school was different with all the children.

We also had Collective Worship outside together in the glorious sunshine with Roger Purdom – where he shared with us how we can work to support the many people in our world and communities who find themselves refugees. Children were very reflective and responsive to this - showing compassion – something that is so precious to us here at St Mary's. Have a good weekend.

Mr Morrissey

Sunshine/and rain!

Please remember to apply suncream before school each day, and send children to school with a named drinks bottle and hat as the weather gets hotter.

Adversely – with raincoats so we can still get outside in light rain.

COVID NOTICES

Please do see the letter that was emailed out earlier this week regarding the unfortunate cancellation and changes to the provisionally planned whole school events for the rest of the term.

Thank you to all of you for continuing to be vigilant, and ensuring that if children or family members show symptoms or are identified as close contacts that you are following national guidance on this. Every little helps, and hopefully 19th July things will change for the better.

FUNDRAISING TEAM MESSAGE

We are all sad to hear about the postponement of the Summer Fayre - not only is this such a great event bringing friends and family together but it is of course a huge fundraising opportunity. We have been so grateful for the generous prizes that have already been donated to the raffle and with this in mind we are still going to draw the **Grand Raffle on Friday 16th July**. Tickets will come home in the next couple of weeks and then it's over to you to shamelessly sell as many tickets as you possibly can to friends, co-workers, cousins, grandparents, aunties and uncles - please spread the word as much as you can! The prizes are amazing - an overnight stay at Bailiffscourt.... A cash prize..... a skip hire! ... and loads loads more. If you are a local business and would like to help please ask one of the fundraising team or simply leave your details with Mrs Mott in the office.

Goody bags filled with information about local businesses will also be going out in the next few weeks. If you would like a chance to be included we ask for 100 flyers/businesses cards and £10 and we will do the rest.

A reminder that **Harry Potter dress up day will be on Monday 28th June**. Please come to school dressed as your favourite Harry Potter book character (or other book character) and bring a bottle of potion (booze!) for the bottle Tombola. Bottles should be given to Team Leaders and your child's name will then be put in a hat for a chance to win a signed copy of Harry Potter and the Philosophers Stone! We will store the bottles until the postponed Fayre in the Autumn term.

The running track in the playground looks fantastic and it was paid for by money that YOU have raised. Thank you SO much - it is a brilliant addition to the school and we hope the children enjoy their daily mile on it.

Thank you for all your support
