Head Teacher Message

It's been a full and eventful term, and I am very proud of the hard work the children have put into their learning. It was lovely to have so many of you join us at the Church and at the end of the day Thursday for our Easter celebrations – and we look forward to many more chances to all get together like this.

I wish you all an enjoyable Easter Break, and look forward to seeing you all back on Tuesday 26th April.

Mr Morrissey

Easter Events

Thank you to the fundraising team for organizing and running our Easter event yesterday afternoon. Thank you for all those who joined us, donated cakes and created beautiful Easter bonnets and eggs!!! It was another lovely (albeit windy) school community event that raised a good amount for the school.

Musical Opportunity

If your children enjoy singing, and would like to join a Choir - then do please encourage them to join our St Mary's Choir run by Mrs Chapman and Mrs Booker. They have been involved in some fantastic performances with other schools from west Sussex already this year.

If you are interested in your child joining a choir outside of school, then have a look at the leaflet attached at the end of the newsletter.

Art Eggstravaganza!

Over the past few weeks, Oliver class have been working together with a local Artist to create a large Artistic Egg as part of the Littlehampton 'Love Local Art Trail.' You will have received a map sent home with your child that details how you can enjoy the event over Easter.

Sporting Opportunities – Cricket

All of our KS2 children had the amazing opportunity to take part in Cricket sessions led by coaches from Middleton Cricket club. The two coaches were of exceptional calibre:

- Mahesh Rawat - a former Indian Premier League/A team and international player
- Chiara Green – Sussex and Southern Vipers player

The children really enjoyed the sessions and the club hopes that this is the start of inspiring a new generation of cricket players. Do please see the flyer pinned to the notice board outside the front of school for more information of how to get involved in Middleton Cricket club.

Parking and road safety:

Please do keep your children under close supervision on the lanes as farm vehicles are passing more frequently during this planting season.

Continued thanks for using the one-way approach – we need to continue to be considerate of each other as a school community with our parking and moving around each-others cars – we appreciate the challenges we all face with the parking each day.
