Head Teacher Message

Wow! Really? A week has gone by already? Does anyone even remember the summer holidays?

Thank you to all of the children this week. You have been amazing. Some of you have done it seamlessly and others have overcome challenges. We are equally proud of all of you.

Sometimes we have to work hard and this always feels good when we achieve.

Keep that positive energy going. Remember, just like Nehemiah and his journey, it takes all of us to build a community.

Have a wonderful weekend.

– **Mr. Murray**

Absence

Please note that absence now should be reported through the school office. This can be via email or phone call. Mrs. Hine will then be able to coordinate fire registers etc. Thank you.

WEEKLY REFLECTION – OUR VISION

We are a small school with a big heart at the centre of the community. Christian faith is taught, experienced and lived as we seek to provide a firm grounding from which children grow into compassionate, active and courageous citizens in a diverse world. We believe that children should learn in a happy, secure and stimulating environment where a thirst for understanding and the embracing of challenge is instilled. Acceptance, nurture and hope empower each child on their journey of academic, spiritual and emotional growth to dream big and aim high.

Thank You

During the summer Mr. Stanley came in with Mr. Stanley Sr and re roofed our bird hide and log store. Mrs. And Mr. Ashton then came in and kitted it out with some cool new resources. Amazing work and we are so grateful. Well done to our amazing team.

New Carpet

Mr. and Mrs Storer. very kindly came and donated their time and new carpet tiles to kit out our new office and staff room. It looks awesome. Thank you.

Welcome

A huge welcome to Mrs. Brancalone and Mrs. Hine. They have made an excellent start this week. They are bringing energy and efficiency to our office team.

They are already learning lots of the routines and I am so pleased to have them on board.

Please take the time to pop into the office so you can get to know them.

Hopefully you have received emails already; if not then come and speak to them.

New Starters

A huge welcome to all of our new starters this year. We have our new cohort of YR children. They have all started brilliantly and are really confident.

We are looking forward to pairing them up with their new buddies.

We also have to welcome two new children into Oliver class. Olly and Chloe have joined us.

Please make sure we are all making our new families feel welcome. I know we will.

Help

Do you have a big vehicle?

Do you have a bit of spare time?

Do you have access to the local recycling centre ?

Can you help?

If so, we are trying to reduce our costs and want to avoid paying for a skip. Could you help with some removal from school?

If so, please come and speak to Mr. Murray – he is happy to help load rubbish into cars this end.

Thank you.

Drop off and Pick up

A polite reminder that to ease traffic congestion and to improve safety by effectively creating a one-way system, we request that you access Crookthorne lane from Ferry Road end, and exit on the roundabout.
