

### FOR YOUR DIARY

Tuesday 9<sup>th</sup> January  
Arundel Wetlands Trip – Y5/6

### Head Teacher Message

An interesting start to the term with a lot of water! We have had a playground flood and water coming into the building so we are looking forward to some dry weather.

We are happy to be back and to have seen you.

I have talked to the children a lot this week about how much we care about them. We are committed to providing a safe and nurturing environment where all children receive a broad and balanced curriculum.

We are grateful for all of the support you give us and look forward to working with you this term to provide even more excitement.

– Mr. Murray

Thank you

For all of the presents, cards and nice messages we all received prior to Christmas.

We are all very grateful.

Thank you to you all and  
Happy New Year.

### WEEKLY REFLECTION –

Love...bears all things,  
believes all things,  
hopes all things,  
endures all things.  
Love never ends.'  
(1 Corinthians 13:7-8)

#### After School Clubs

A reminder that club letters came out on Thursday and all after school clubs will start next week.

We are grateful to the staff who volunteer their time to provide these extra-curricular opportunities for the children.

If you need a letter, then please come into the office. There are still spaces available in some of the clubs.

Mrs Hine will be busy putting the club list up on the windows in the corridor. Thank you.

#### Beach Walk

We are planning to do our beach walk on Monday afternoon next week. This will require all pupils to have a coat and clothes to keep warm. The lane is muddy so wellies or a change of shoes you are happy to get muddy is essential.

We want all children to take part for their physical and mental wellbeing and we are looking forward to having a 'memorable experience' together on Monday.

Thank you for your support in making the children's education exciting and memorable.

#### SIAMS REPORT

You can find the recent SIAMS – Statutory Inspection of Anglican and Methodist Schools – report on our website.

It is in the School Data section.

It gives a great insight into some of the excellent work the whole community has worked on in the last 15 months.

If you have any questions, then please come in.

*If you have any news, children's achievements out of school or community events you would like to see in the newsletter, please do let Mr. Murray know.*
