

FOR YOUR DIARY

Wednesday 19th June
Y5/6 trip to Hove

Head Teacher Message

Another hugely busy week with so much going on. Rounders, cricket, sports day training (unfortunately no sports day!) Thank you to all of the parents, teachers, pupils who have made all of this possible.

It is not often I get these weather predictions right but I don't mind being at least a little relieved when the heavy rain came earlier. I was feeling a little like Michael Fish!

Wishing you a wonderful weekend and see you Monday.

Mr. Murray

WEEKLY REFLECTION

Those who hope in the LORD will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.

Isaiah 40:31

A huge thank you to Isadora's grandma – Angela, for taking care of the plants at the front of the school. The planters and wishing well are looking beautiful! All we need now is the sun!

It was very disappointing to have to postpone Sports Day and we will keep our fingers crossed that the weather is dry for our rearranged day on Friday 28th June at 1.00pm. We hope to see you there!

We have just one place left for our new intake of reception children in September 2024. If you are aware of any parents/carers who have not yet made their final decision, please tell them to make contact with us. As you will know:

St Mary's is a fully inclusive school and we pride ourselves on knowing our children very well. We focus on the growth of the whole child – academically, culturally and spiritually – supporting them to develop as well-rounded individuals who are independent in their thinking, confident and excited by learning. Together we dream big and aim high.

If you have any news, children's achievements out of school or community events you would like to see in the newsletter, please do let Mr. Murray know.

Building Work

Our exciting building work starts Monday. While we will have a few weeks of disruption, we are looking forward to the benefit it will bring to school.

I have spoken to all of the children today regarding the work. The only difference to them is a change in the fire egress route from the toilets. I have modelled this with staff and children and we will do a reminder Monday morning.

If you have any questions, then please do not hesitate to come and see me.

Term Dates
