

St Mary's C of E Primary School Home Learning Grid

Oliver Class: Spring 1 2026

Topic: Going Up!

Home Learning is due in **every Friday**. Choose from the grid below or if you are feeling inspired, complete a topic activity of your own choice.

<p>English</p>	<p>Write a senses poem about a chosen season. Create lots of vocabulary about your season and then use this in your poem.</p> <p style="text-align: center;">Winter Poem</p> <p>I can see _____ I can hear _____ I can feel _____ I can smell _____ I can taste _____</p>	<p>Go to your local library and choose books about our topic. Try and focus your search on the history of flight, Amelia Earhart or other aviators like Bessie Coleman. Share these books with someone at home. Take a photo of you sharing the book. Maybe you could share them in a really unusual place like in a tent in the garden or on the trampoline!</p>
<p>Maths</p>	<p>Can you find all of the different ways to make 20 with 2 numbers? Can you write these down in your Home Learning Book in an order? Can you use 3 numbers to make 20? 4 numbers? 5 numbers?</p>	<p>Learn about the names of 3D shapes and their properties. Create a fact file about a chosen 3D shape. Present this how you wish. Remember to use the correct mathematical terminology when describing 3D shapes - faces, edges and vertices.</p>
<p>Science</p>	<p>Keep a Weather Diary for the next 4-6 weeks. Record the day, date, what you see and hear. Draw a picture of the weather to go with your description. back over your diary at the end of each week. Are there any weather patterns notice?</p> <div style="display: flex; align-items: center;"> <div style="border: 1px solid black; padding: 5px; margin-right: 10px;"> <p>Day: _____ Date: _____</p> <p>What can I see? </p> <hr/> <p>What can I hear? </p> <hr/> <p>Draw a picture of the weather: </p> </div> <div style="margin-left: 10px;"> <p>can</p> <p>Look</p> <p>you</p> </div> </div>	<p>Create an exciting and interesting poster about the four seasons.</p> <p>Try and include: facts about each season, months that fall in each season, the order of the seasons, photos/drawings for each season, important vocabulary to do with each season.</p>
<p>Creative Arts (Art, Design & technology, Music, Drama & Dance)</p>	<p>Design and make your own model It could be a futuristic plane or similar to one from the past. You will need: paper, a pencil, a and your imagination! Write a description of your creation.</p> <div style="display: flex; align-items: center;"> <div> <p>plane.</p> <p>ruler</p> <p>short</p> </div> </div>	<p>Learn the song 'Those Magnificent Men in their Flying machines' and invent some actions to go with it! https://www.youtube.com/watch?v=UPgS26ZhqZs</p>
