### Head Teacher Message

We have enjoyed a fun – but different-sports day this afternoon. We made the most of an event that is usually bolstered by all of you being with us. Roll on next year!

As school leaver services were disrupted again this year, we were delighted that Chichester Cathedral agreed to host a beautiful installation of colorful butterflies to mark year 6 pupils' transition from primary to secondary school.

The amazing cascade of butterflies, each made by Year 6 pupils from the area, are an invitation to all who come to the Cathedral, including individual classes, to pray for all who are coming to the end of their time at primary school. Read what the Cathedral say about the project [here](#)

Congratulations to Green Team for winning the sports day cup!

### COVID update:

As we approach the last 2 weeks of the Summer term, I am hopeful that we can cross that line without having to close a bubble or ask children to isolate at home because they were close contacts to a positive case. Locally, we have seen a rise in Covid numbers over the last few weeks and while the 'close contact' isolation protocol is still in place, can I strongly encourage you all to help the school community stay avoid disruption and stay Covid free by following guidelines.

Most simply:

- Notify us if your child/household member displays symptoms, and keep them at home.
- Wear masks on school site, and maintain 2m distance where possible.

### FUNDRAISING TEAM MESSAGE

**Grand Raffle on Friday 16th July.** Tickets came home yesterday and then it's over to you to shamelessly sell as many tickets as you possibly can to friends, co-workers, cousins, grandparents, aunts and uncles - please spread the word as much as you can! The prizes are amazing - an overnight stay at Bailiffscourt.... A cash prize..... a skip hire! ... and loads loads more

### Consultation on Proposed Enhancements to the A259 Bognor Regis to Littlehampton.

UPDATE: I held a meeting this week with our local Parish councilor Colin Humphries and our County councilor Jacky Pendleton to raise our concerns with the negative impact the proposed A259 development will have on access to school. They took the concerns on board and agreed that the current proposals will not work for the good of the school. They promised to take our concerns directly to the planning team to seek alternative options.

Can I encourage you to continue to share this as wide as you can, and act by responding to the consultation. Please do take the time to look at the proposals, and feedback on the survey. The 'yourvoice' survey is on this link: <https://yourvoice.westsussex.gov.uk/a259>
