ALL UPCOMING DATES NOW ON NEW WEBSITE!!!!

Head Teacher Message

As we approach the home straight of this epic school year, we are so thankful that the sun has decided to join us!

We have had a fantastic week, and the children have continued to focus well on their learning.

Today each class had the opportunity to share their learning about the history of our school and the Victorian era it was built in. It has been a fabulous day.

Next week children will get a chance to meet their new teachers in a bubble distanced, outdoor manner.

There will be no afterschool clubs on next week.

Just one more week to go!
Have a good weekend.

Well-Being links

These may be useful links to support the well-being of all.

Reminder to please return all Library books to school next week!

TRUST IN THE LORD WITH ALL YOUR HEART; AND LEAN NOT ON YOUR OWN UNDERSTANDING. PROVERBS 3:5-6

House Points

RED	BLUE	GREEN	YELLOW
237	201	183	162

Congratulations to RED team for the most house points this week.

COVID update:

I hope you have had a chance to read the information sent out earlier this week regarding arrangements for the last week of term, post 19th July.

To summarise: We will not be changing any of our organization in regard to our Covid procedures, and we will be maintaining class 'bubbles' right up until the end of term. **Please can we ask that you help us by being cautious with your close contacts too – so that we can all get to the end of term without having to isolate or close bubbles.**

BREAKING NEWS!

St Mary's now has a brand new school website!

[St Mary's Church of England Primary School - Home \(stmarysclymping.org.uk\)](http://stmarysclymping.org.uk)

We hope it will be a much more user friendly interface and help you to keep up to date with what is happening in and around the school. Top Key features include:

- A quick link landing page with quick links to key pages
- Latest News (which links to our brand new twitter account)
- Interactive calendar with all the upcoming events
- A 'Virtual Office' section – to help you find all relevant information regarding the admin side of school.
- A Mental Health and Wellbeing page – designed as an information hub, so you know who to speak with and where to go for general or specific advice.

Each class also has a page, where teachers will post curriculum information and home learning links.

Please do explore the site (bear with us as some pages are 'living' pages so content will be available in September) - and please follow the twitter account (link on main menu or top right of screen) if you wish to.

If you have any feedback you would like to give to help make your user experience better, please do pass your comments to head@st-marysclymping.w-sussex.sch.uk
